About us

Duurzaam bedrijfsuitje offers SMEs, corporates and governments various sustainable and social group activities, teambuilding, trips, tours and workshops. We develop and carry out these green and creative activities ourselves. Our activities guarantee sustainability, improvement of team spirit and support of charities.

You can actually help with a social project en Duurzaam Bedrijfsuitje will guide and facilitate you and your company.

Due to our many years of focus and experience on sustainable entrepreneurship and social return we were awarded with the golden label for sustainable entrepreneurship in 2015. We are also MVO Nederland partner (CSR Netherlands). U can rely on a professional and honest event agency that likes to think along with you!

Why Duurzaam Bedrijfsuitje? Our 8 Promises:

- 1. Sustainable and Social:** We offer a wide range of social services. In addition we are the only Dutch event agency with a sustainable quality mark. We are also a recognized training company and CSR Netherlands partner. We support various charities and will donate € 2,50 per person after every social outing to a charity of your choice. After your team outing or event, you will receive our certificate of participation.
- 2. Experience:** we have been active in the Dutch and international events market since 2010. We have expanded our activities to many other (inter)national cities and shifted our focus to sustainability and social outings.
- 3. Transparent:** we offer our products and facilities at transparent prices. No hidden costs or unexpected additional work. We also work with GreenKey certified restaurants and hotels and we offer as many fairtrade products as possible. You will receive a tailor made offer. Throughout the entire process, you will conveniently have one contact person and one creditor.
- 4. Combination of a wide range and innovation:** we have a wide, unique and distinctive range for every budget, season and group. Whether you are with 5 or 1000 guests, we will organize a suitable event. We continue to constantly renew our range of teambuilding, corporate outings, team outings and staff parties/corporate parties. We attempt to provide a complete package of activities which combines socially responsible activities with fun activities. In the meantime, we the focus on sustainable aspects of your event.
- 5. Bad weather guarantee:** did you book an outdoor activity and the weather predictions are bad? In consultation we will offer a replacement indoor activity so that your event can go on.
- 6. Reliable and Safe:** many companies and groups have preceded you. Safety is central to our activities: our staff is annually trained internally and is in the possession of a first aid certificate.
- 7. Full Service and customization:** we have many products in-house. We organize and carry out your event from A to Z. Our staff, guides, trainers and instructors are 24/7 at your service to execute your company outing. In addition, we work with reliable and sustainable partners. We strive for an optimal interpretation of your event and we wish to provide appropriate advice based on your budget and wishes. We also offer advice regarding locations, transport, meeting and/or catering wishes. We also think along in the context of the WKR, insurance, cancellations and everything else that comes with an event.
- 8. International:** and of course we will help you in English. We know how to provide the best experience and our guides are the best in the event business. Check the English version of our website.
